07/2014 - 06/2016

Percentage: 68.60%

### Secondary (X)

KAILASH RAI SARASWATI VIDYA MANDIR, KODERMA (CBSE)

04/2014 - 03/2014

CGPA: 7.4/10

### Program

painting competition

2020

## WORK EXPERIENCE

### Internship

Info Origin Inc.

12/2022 - 03/2023

Gondia (Remote)

Achievements/Tasks

- Technical experience
- I had the opportunity to work on various assignments focused on HTML, CSS, and JavaScript, showcasing my proficiency in front-end web development.
- Additionally, I undertook a significant project to develop a robust Student Management System, leveraging core Java with AWT for the user interface and MYSQL as the database management system.
- Soft Skills: Team Work, SDLC, Time Management, Communication, Presentation skills

## SKILLS

Core Java

programming

JavaScript

HTML

CSS

React js

SQL

MYSQL

JDBC

AWT

## PROJECTS

### Online Cleaning services website (05/2023 - Present)

- I undertook a challenging project to develop an online cleaning services website from scratch, utilizing my skills in HTML, CSS, and JavaScript. The primary objective was to create an intuitive and user-friendly platform that connected customers with cleaning service providers seamlessly.
- I used a combination of HTML, CSS, JavaScript and bootstraps for build this website.

### Student Management System (01/2023)

- I developed a student management system that enables schools to manage student information, including personal details, fee Detail, and enrollment information. The system is designed to be user-friendly, secure, and easily customizable to meet the needs of different institutions.
- I used a combination of technologies to build the system, including JAVA, AWT & MySQL.

### Online college Library Management (12/2020 - 02/2021)

- Developed a comprehensive College Library Detail Management system as a web application using HTML, CSS, JavaScript.
- The system aimed to efficiently manage library operations, including book cataloging, borrowing and returning processes, check availability of books, member management, and generating reports.
- Designed an intuitive user interface and implemented robust functionality to enhance accessibility and streamline library processes for both staff and students.

## TRAINING ORGANIZATION

### ASPIRE VISION TECH (01/2020 - 01/2020)

Web Development

## CERTIFICATES

### JSpider (06/2022 - 12/2023)

I have done Full stack course in Jspiders training center with multiple technologies but interested in Front end technologies.
